

October 2025

It's near, it's here.....the end of the 2025 season. The next & last 2025 events are 2 shows over 2 days on October 18 & 19. Most of the year-end races are tight making the final weekend a potential make or break event. Fall cattle are coming in which are usually the best cows of the year. More sand was brought in before the Sept show so the ground is excellent.

Take a look at this! BMC will hold the annual bridleless event on Saturday as is customary BUT.....the bridleless entry fee \$110 will be paid by BMC so for zero out of pocket there is an opportunity to ride..... for free.....win the much coveted Bridleless Champion buckle.....for free.....win a portion of the jackpot.....for free. If you needed a little motivation to enter, here you go. You need not own the horse you show. As is also customary, there will be a calcutta before the class with 60% going to the winner of the bidding and 40% to the club. **When you make your usual entries, text Kim at 509-834-0895 to make a BRIDLELESS ENTRY.**

Entries for both the Saturday & Sunday shows are due on Wednesday October 15th.

New to us for the final weekend is the availability of horse pens on the grounds. The cost is \$25 per night. If you use one for day use only it's still \$25. For those attending the Friday practice, you can use the stalls Friday thru Sunday for \$50 total. The pens are bedded with sand so use of shavings is strictly prohibited. There are water hydrants at the end of the rows. Overnight parking is allowed in the horse pens area but there are no hookups. The pens are just beyond the designated arena parking area. From the designated arena parking area you will see a road running parallel to the indoor going directly out to the pens. **Send a text to 509-901-0872 to request pens.**

We will be handing our year-end awards on Sunday between classes. There will be a Saturday evening social/pizza party at 610 E Pomona sponsored by BMC just a very few miles from show grounds. There will be pizza, dessert & soft beverages otherwise it's BYOB. Pizza's

should arrive by 6:00 pm so plan accordingly. Everyone is welcome!
If you plan to attend, RSVP by text to 509-901-0872 by Wednesday
October 15.

Entries were strong at the September show and we are very grateful to all who helped both in & out of the arena. We couldn't do it without you. We'd also like to thank our show sponsors Michelle Beauniaux & Sean Snyder. The circuit awards were very species specific & everybody wanted one. Thank you so much for your generosity.

As has become a custom, there will be a Friday McGuire practice on fresh cattle. For details and to let Jerry know you're coming to practice, please call him at 509-952-2591.

There won't be concessions so please plan accordingly. There will be water available in a cooler by the show office.

The arena owner has posted signs in the indoor where you cannot tie horses. In addition, we're asking that you not tie near gates. It's a very large arena so there should not be a problem finding a spot. We are so fortunate to be able to hold BMC shows at this facility so please pick up your trash & clean around your trailers in parking area.

Hope to see everyone for the finals weekend. It's all of you that make BMC a success.
