

June 22, 2025

The Tracy Barton clinic is a wrap. The clinic was full, the pens were full of fresh cattle & the BMC crew worked tirelessly to get thru Friday evening to Sunday afternoon. To all clinic participants, thank you for making this event a success. To the BMC crew, thank you for all you do for the club. And to Tracy, thank you for giving yourself so generously. He had a lot to say over the course of the clinic but from BMC's point of view, one of the most gratifying things he said was "y'all sure have good cattle".

Moving on. Please note the earlier start time for the June 28<sup>th</sup> show. Show begins at 8 am as we try to get a head of the warmer weather coming our way. There will be a little bump in the schedule as we will hold the Jim Cox Memorial Buckle class between the Non-Pro & the \$750 NH classes. There will also be a calcutta prior to the class so bring a pocket of money to win the bid on whichever horse/rider combo you feel will "get'er done". They could go home with a buckle and you could go home with a bigger pocket of money. JCMB class participants will be Melissa Kaliloo, Heidi Backman, Don McKune, Ron Schumacher, Christiane Vanderpol & Rita Jensen. All riders are \$500 LR eligible and the JCMB class will be scored using BMC \$500 LR class rules which require the rider to show 1-handed although the rider can lift his or her hand to help their horse. This class is being sponsored & paid for by BMC and the JCMB is sponsored by Gail Cox. 2025 will be the 9<sup>th</sup> year a JCMB has been awarded keeping Jim's legacy a part of BMC.

Just some friendly reminders:

Please take note: There will not be concessions at the June show.

Plan to bring you lunch, snacks or whatever it takes to get you through the day. As always, there will be bottled water available.

There are carts & manure forks available so please clean around your trailer before leaving. We are guests at this facility so please leave it clean. Regarding manure carts, you fill it/you dump it. Carts are to be dumped in cattle pen across from arena. So dump the cart before returning it to the arena.

Boxing Class Riders – All Boxing class riders, Open or NP, will be shown in the same draw but the Open Boxers will be separated out at the time the points are calculated. Open Boxers are a class within a class.
